For boys aged 11-15 years old

Officer in charge: Phil Lowles

The Discover badge scheme has 3 zones:
Community, Skills and Recreation
and each zone has its own badge.

There are 4 Levels of achievement for each badge, starting with 1 and progressing to Level 4. Each Level is achieved by earning points. Points are earned by taking part in activities with 1 point awarded for each full hour of participation, so 1 hour equals 1 point. In addition points must be earned in each subzone to ensure a varied programme of activities.
